## **GENERAL ANNOUNCEMENTS**

### **Onsite CAPS Counselor for BGS Students - Wednesdays, 12:00pm-4:00pm**

Reminder: BGS has arranged for a counselor from [Counseling and Psychological Services \(CAPS\)](#) to be available to meet on site with BGS students on **Wednesdays from noon to 4:00pm Smilow Conference Room 1-103** (in the hallway south of Rubenstein Auditorium). Tiffany Brown, PhD, is a psychologist at CAPS who will provide confidential services every Wednesday afternoon through August 7th. She will work with BGS students to provide initial consultation, support, brief counseling, and referral services.

In order to set up an appointment with Dr. Brown, you may call CAPS at 215-898-7021 and let them know you would like to meet with Dr. Brown onsite in the PSOM. Alternatively, you may email her directly at [nicobr@upenn.edu](mailto:nicobr@upenn.edu) to make an appointment. All of the meetings will be held in Smilow Conference Room 1-103 (in the hallway south of Rubenstein Auditorium). If the door is open, you

may walk in and schedule an appointment with Dr. Brown, in person, for the same day or a future date.

We know how busy your schedules are and we hope that having a counselor onsite will be useful. You will still have the option of going to CAPS at 3624 Market Street, and you may call CAPS at any time, 215-898-7021, and talk to a clinician. If you have questions, please contact Judy Jackson at [jajackso@pennmedicine.upenn.edu](mailto:jajackso@pennmedicine.upenn.edu)

## **Postdoc Preview - UM Medical School Postdoc Recruitment event**

The University of Michigan Medical School will host its next postdoctoral recruitment event **October 10-11, 2019**. They invite senior graduate students to apply to attend [Postdoc Preview](#).

*Postdoc Preview* introduces upper-level graduate students in the biomedical sciences to the excellent research and training opportunities at the University of Michigan. During a fully-funded visit, recruits interview with two or more prospective mentors, learn about NIH-funded training programs, and network with current postdocs ([tentative schedule here](#)). Applicants are selected from a national pool of highly qualified individuals who expect to complete their thesis research over the course of the next year and be U.S. citizens or permanent residents or be currently enrolled in a U.S. graduate institution. The UM Office of Postdoctoral Studies sponsors and manages the logistics of their visit.

Applications for the event can be found at <https://postdocpreview.smapply.io/>. **Deadline: August 5, 2019**. Please contact [postdocoffice@med.umich.edu](mailto:postdocoffice@med.umich.edu) with questions.

## **Opportunity for senior graduate students or recent postdocs - OSU Postdoc Recruiting Event:**

Applications are now being accepted for the Ohio State University 2019 Fall **Postdoctoral Recruitment Event**, being held **October 23-25, 2019**. This event will provide an excellent opportunity for outstanding postdocs and PhD students from leading graduate programs to meet research faculty, interview for open postdoctoral positions and discover the exciting and innovative research taking place at The Ohio State University and the Research Institute at Nationwide Children's Hospital (NCH). Selected candidates will visit the Ohio State campus, network with current OSU and NCH postdocs, present their research, interview with prospective mentors, and learn more about postdoctoral opportunities at Ohio State. Full funding will be provided for travel expenses and candidates may be considered for a variety of opportunities, including fellowships, training grants, and other internal training programs.

Application for this event is open until **September 9<sup>th</sup>** and is available to postdocs or senior graduate students who have completed or expect to complete their PhD between December 2018 and May 2020. Any candidates in the US (visa status does not matter) can apply and we are especially interested in reviewing applications from US Citizens and permanent residents who are training grant-eligible and/or who come from underrepresented backgrounds including African Americans, Hispanics or Latinos, American Indians or Alaskan Natives, Native Hawaiians or other Pacific Islanders, or persons with a disability.

More information can be found on the web page or the application can be accessed directly through the link below.
