Description

The Children's Hospital of Philadelphia and the Department of Psychiatry at the Perelman School of Medicine at the University of Pennsylvania seek candidates for several Assistant Professor positions in the tenure track. Expertise is required in the specific area of adolescent psychiatry, with a focus on behavioral disorders.

Teaching responsibilities may include mentoring students, residents and fellows and course lecturing.

Clinical responsibilities may include providing essential contributions to the clinical programs of the department, including substantial teaching and/or independent contributions to clinical research programs. Publications may derive from clinical observations or from participation in studies.

Research or scholarship responsibilities may include the development of an independent research program that is synergistic with the scientific and clinical missions of the Department of Psychiatry.

Applicants must have an M.D. or Ph.D. or M.D./Ph.D. degree. Board certified or eligible in Psychiatry.

We seek candidates who embrace and reflect diversity in the broadest sense.

The University of Pennsylvania and The Children's Hospital of Philadelphia are EOE's. Minorities/women/individuals with disabilities/protected veterans are encouraged to apply.
