OTHER SUPPORT / CURRENT AND PENDING TOOL

Access the tool at https://apps.research.upenn.edu/

View Aggregated Data

Aggregate data available in Penn systems that report research, including PennERA, RIS and the forthcoming COI and outside activity reporting system

Selectively Manage Content

Allow researchers to manage the information and make decisions about what to report to the sponsoring agency

Add Reportable Activities

Provide a means for researchers to add reportable activities to their profile for current and future use

Generate Sponsor Reports

Produce a report of the information in the correct sponsor format, including options for NIH, NSF, DOD, DOE, USDA, and Generic

*System also stores contracts for outside activities, if provided
